PRICES

Prices and terms set forth in this list cancel previous lists, and prices are for Fall of 1937 and Spring of 1938 and are subject to change without notice.

OUR TERMS ARE CASH

GUARANTEE

We give no guarantee, expressed or implied as to description, quality or productiveness of any stock. All stock is guaranteed to be true to name and variety. If any stock proves otherwise we will not be liable for an amount greater than the original purchase price.

STOCK

All stock listed herein is first class nursery stock, having been inspected and declared to be apparently free from all diseases. Same will be uniformly graded according to standards of grading of the American Association of Nurserymen. A copy of the inspection certificate will be attached to each shipment.

IT'S NOT A HOME UNTIL IT'S PLANTED

We cannot control the weather or have the rainfall when needed, but we have tried to select with care varieties that will withstand more than an ordinary amount of vicissitudes. Following is a list that will grow and bloom for you and be more beautiful each year.

Shrubs

FORSYTHIA, or Golden Bells—The first shrub to bloom in the spring. It lights up the whole yard with its masses of bright yellow flowers.

2 to 3 feet Price .35

SPIREA VAN HOUTTEI, or Bridal Wreath—the most popular of all shrubs. Its gracefully arching branches, heaped as they are with the white blossoms in the spring and its thriftiness under the most trying conditions, are the reasons for its popularity. The reason you see it everywhere is because it makes good everywhere. Use it for foundation, screens, hedges or single specimen planting. Grows in sun or partial shade.

3 to 4 feet Price .35

PHILADELPHUS (Mock Orange)—Not unlike the common name, it bears white flowers, very fragrant; blooms in May and June, and scattering through the summer. A handsome shrub.

2 to 3 feet Price .35

BUSH HONEYSUCKLE.—A dependable, hardy shrub, flowers very fragrant, bush nearly evergreen; fine for screens and background; spring bloomer; colors, pink and white.

2 to 3 feet Price .35

Try a New Shrub—

CARAGANA, or Siberian Pea Tree.—A little known shrub but one worthy of consideration—one of the most drouth resisting shrubs; light green foliage with yellow pea shaped flowers in spring; enjoys full sun.

2 to 3 feet Price .35

4 to 5 feet Price .50

RUSSIAN OLIVE.—A shrub whose chief attraction is its silvery foliage—a pleasing contrast to the usual green foliage of other shrubs. Fine for mass planting.

2 to 3 feet Price .35

BARBERRY, Japanese, Green Leaved.—A low growing, compact shrub; ideal for foundation planting.

2 to 3 feet Price .50

BARBERRY, Red Leaved (New).—Bright red foliage all summer.

18 to 24 inches Price .50

WEIGELIA—ROSAE:

The Weigelias are shrubs of erect habit while young but gradually spread and droop as they acquire age.

Rosea.—Beautiful pink trumpet shaped flowers in spring; a good shrub; good flowers; good foliage; easy to grow.

2 to 3 feet Price .50

CRAPE MYRTLE.—One of the most beautiful of all the flowering shrubs; blooms throughout the summer—the best shrub for the south.

2 to 3 feet Price .35

ALTHEA (Rose of Sharon).—The Altheas are fine flowering shrubs; easy to grow; perfectly hardy; colors, red and pink.

2 to 3 feet Price .35

CYDONIA JAPONICA (Japan Quince).—A fine shrub covered with dazzling scarlet flowers in early spring; very popular.

2 to 3 feet Price .50

FLOWERING ALMOND.—Very ornamental, with masses of flowers in April and May; colors, white and pink.

2 to 3 feet Price .50

BUDDLEIA (Butterfly Bush) Improved.

No. 1 plants, heavy..... Price .50

Rose Bushes

Two years old, No. 1—Each, 50c; 3 for \$1.35

VARIETIES:
